Civil society - Wikipedia Civil society is the "aggregate of non-governmental organizations and institutions that manifest interests and will of citizens". Civil society includes the family and the private sphere and is referred to as the "third sector" of society, distinct from government and business. What is a Civil Society? - Definition & Examples - Video ... A civil society is comprised of groups or organizations working in the interest of the citizens but operating outside of the governmental and for-profit sectors. Organizations and institutions that make up civil society include labor unions, non-profit organizations, churches, and other service agencies that provide an important service to society but generally ask for very little in return. Civil Society | United Nations Civil society is the "third sector" of society, along with government and business. It comprises civil society organizations and non-governmental organizations. The UN recognizes the importance of partnering with civil society, because it advances the Organization's ideals, and helps support its work.

Civil society | social science | Britannica.com Civil society, dense network of groups, communities, networks, and ties that stand between the individual and the modern state. This modern definition of civil society has become a familiar component of the main strands of contemporary liberal and democratic theorizing. What is a civil society? - Quora Civil society is a community of citizens who are organized in pursuit of their common interests outside the state. It's independent (i.e. not controlled by state) mass media, trade unions, fan clubs, rifle associations, political parties, environmentalist groups, gay pride organizers, faith congregations, neighborhood watches, online communities and suchlike. What is a Civil Society (Civility)? - Jack Krupansky - Medium What is a Civil Society (Civility)? The term civil society is ambiguous, sometimes referring simply to civility in society and sometimes referring to organizations outside of government and business, such as NGOs and so-called civil society organizations and civil society actors.

Civil Society - World Bank Civil Society Organizations (CSOs) have emerged as a major force in international development in the past 30 years. The World Bank Group has been working to strengthen its engagement with civil society since 1981, when its first operational policy note on relations with CSOs was approved by the World Bank's Board of Directors.
