Powerfully involving narrative and incisive detail, clarity and inherent drama: Blood offers in abundance the qualities that define the best popular science writing. Amazon.com: Customer reviews: Blood: An Epic History of ... An in depth look at the history of blood and blood product transfusion, I find "Blood" to be fascinating. Having worked in health care I have some knowledge, but this is a whole new perspective. Great read.

Review of Blood: An Epic History of Medicine and Commerce ... Blood is indeed epic in its ambition and scope. The book begins by labeling a "proto-scientific age" running from the seventeenth century to the early twentieth century, as an era when "blood myth" supposedly gave way to "blood science.
