Blood Angels | Warhammer 40k | FANDOM powered by Wikia With the Blood Angels having won the battle on Baal, Rafen was then assigned a mission by Lord Commander Dante, the Blood Angels' Chapter Master, to recover a phial of the blood of the Blood Angels' Primarch Sanguinius, which had been stolen by Bile during a conclave between the Blood Angels and their Successor Chapters. Blood Angels - Warhammer 40k - Lexicanum Blood Angels are unique in that deeply engrained in their gene-seed is the encoded experience of Sanguinius, and most deeply imprinted of all is the memory of his final battle with Horus. Sometimes an event or circumstance will trigger this 'race memory'. Blood Angels - 1d4chan The Blood Angels were the 9th Space Marine Legion created by the Emperor. They are so named because of their tendency to use blood as a central symbol of their particular warrior-monk rituals, and because of their susceptibility to the Red Thirst , a wild bloodlust that arises in them during battle.

Chapter Focus: The Blood Angels - Warhammer Community Chapter Focus: The Blood Angels The Blood Angels are among the most distinct of the Space Marine Chapters, and their new codex reflects this with a vast suite of new rules, units, Stratagems and more designed to reflect the fast-paced, aggressive style of war favoured by the sons of Sanguinius.
